Kindergarten Enrollment Tours and Assessment Days

Amazing as it may seem, enrollment season for the 2024-2025 school year is upon us! As a member of the Christ Lutheran staff, I am honored to serve your family as a School Principal. It is our hope and prayer that your family will consider continuing your child's Christian education with our Christ Lutheran School family. Our ministry continues to thrive, and I am honored and humbled to be a part of this ministry...it truly is **great** to be a Griffin!

CLS is reserving time for upcoming Kindergarten Tours throughout the month of January, as well as during a special all day events on **January 4th and 5th**. This day will allow you to meet me and the Kindergarten teacher, all at one time! The half hour meeting schedule is broken down into 3 activities for each family applying for attendance. While slots for this event fill up fast, we schedule tours and assessments throughout the month of January. If another date in January works better for your family, please email ben.lausman@clcop.org to inquire about other available times for a tour! Our Kindergarten event and tours include the following activities:

- A review of the school facility and family meeting with Interim Principal Lausman.
- A Kindergarten classroom interview and readiness assessment.
- A chance to explore and ask questions about the Classical Curriculum at CLS.

Families from both inside and outside of CLS are welcome to tour and begin the applications process at this time. We will be conducting tours every half hour from 8:30-5:30p.m. on **January 4th**. Please see the sign-up genius located on our enrollment tab at www.clsop.org or directly at <https://tinyurl.com/2xcuhf3t> to select a time that fits best for your schedule. In the event you are not able to fit either of these dates into your schedule, please contact the school office and we will work to accommodate your tour in another fashion. Kindergarten enrollment is finalized with confirmation from the school office following your registration and admittance by the school administration. Once enrollment is finalized, you will be invited to attend Kindergarten Orientation Day later in the year to assist in answering your preparation for the upcoming school year. If you have any questions about the Classical program here at Christ Lutheran School, or the enrollment process, please don't hesitate to reach out to the school office directly and we will gladly answer them!

A Reminder for the Kindergarten Enrollment Windows:
